Vicenzaoro Fairs

Italy is a world's notable birthplace of delicate designs and top-quality jewellery; while the Vicenzaoro fairs, organised by Fiera di Vicenza (FdV), are the leading trade shows for the sector worldwide.

Hong Kong Jewellery & Jade Manufacturers Association (HKJJA)

As a major global jewellery exporter, Hong Kong is the gateway to the booming markets in China and the rest of the world. Hong Kong jewellers are also renowned for their sharp instinct in jewellery designs which amaze the world every now and then. HKJJA, founded in 1965, is one of the pioneer associations in the region which aims at creating business opportunities for and safeguarding the interests of its members, while promoting the Hong Kong jewellery industry all over the world.

Venturing into the Vicenza fairs

In a bid to explore overseas markets and locate a platform for idea and technological exchange abroad, HKJJA took the lead to bring Hong Kong jewellers to participate into the Vicenzaoro fairs in 1994, venturing into the sophisticated Italian jewellery market. It laid the foundation for the cordial collaboration of HKJJA and FdV in the future.

In response to the steady growth in the number of Hong Kong exhibitors and the closer rapport between HKJJA and FdV, Hong Kong Pavilion, the

first regional/national pavilion of the Vicenzaoro fairs, was established in 1998 with more than 20 exhibitors. Since then, it has always been the home of extraordinary and refined jewellery products for global buyers.

Climax – the First and Only Individual Pavilion

On the eve of the 10th anniversary of the Hong Kong Pavilion at Vicenzaoro fairs, FdV and HKJJA held a relocation signing ceremony at Grand Hyatt Hotel in Hong Kong on 7 March 2003. Since September later that year, Hong Kong Pavilion has become the first and only pavilion which occupies a whole two-storey building.

HKJJA has put arduous effort in promoting the new pavilion as well as the diversified Hong Kong culture. Each year, the pavilion manages to gather more than 80 outstanding Hong Kong jewellers and welcomes millions of buyers from around the globe. Despite the ups and downs all through the years, the HKJJA-FdV partnership has worked hand-in-hand to ride out challenges, ensuring the Vicenza shows a successful one.

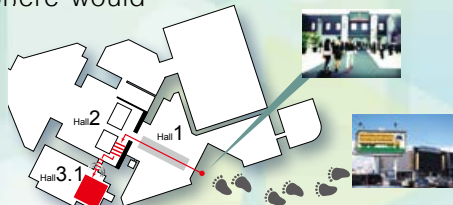

To mark the 20th year of HKJJA's pride presence at the Vicenzaoro fairs, the partnership has made a critical decision to reunite the Hong Kong Pavilion with the Main Hall in the coming year, 2015.

New Location, New Inspiration

In January 2015, Hong Kong Pavilion will be back to the Main Hall – Hall 3.1 to support the innovative concept of “Boutique Show” introduced by FdV. A whole new spirit and atmosphere would definitely inspire and impress not only the exhibitors, but also every buyer visiting the new pavilion.

This remarkable move certainly is another milestone in the 50-year history of HKJJA. FdV and HKJJA look forward to a blossoming future ahead, and receiving you at Hall 3.1, Vicenzaoro Winter 2015!

Tribute to Trade and Industry Department, HKSAR

At Vicenzaoro Fall 2014 in September, HKJJA will launch a new project “Hong Kong Jewellery Glittering in Italy” funded by the SME Development Fund under the Trade and Industry Department of the HKSAR. HKJJA hereby would like to extend its gratitude towards the HKSAR government for her great support to the economic development and trade promotion of the city.

The farewell to the two-storey venue welcomes a bright future for the new Hong Kong Pavilion at the Main Hall. HKJJA sincerely invites you to be part of this special event and experience this spectacular moment with us!

Hong Kong Jewellery Glittering in Italy

Down the aisles with the fresh aftertaste of the premium Chinese tea served at the entrance of the Hong Kong Pavilion at Vicenzaoro Fall 2014, you are already on a journey of delights and merriment, savouring the best of Hong Kong.

The Hong Kong Pavilion, embracing the world's chicest and bestselling designs from over 60 HK-based fine jewellery brands, transforms the eminent trading venue well-liked by global buyers over the years to a miniature of the vibrant metropolitan city with unique culture and heritage.

A premium selection of luscious dim sum including mouthwatering shrimp dumplings, crispy spring rolls and delectable tea eggs is complementarily served to remind you of the great cultural heritage of Canton food. Delicate embroidered pouches and fans are also gratis to you for your appreciation of exquisite traditional Chinese folk crafts.

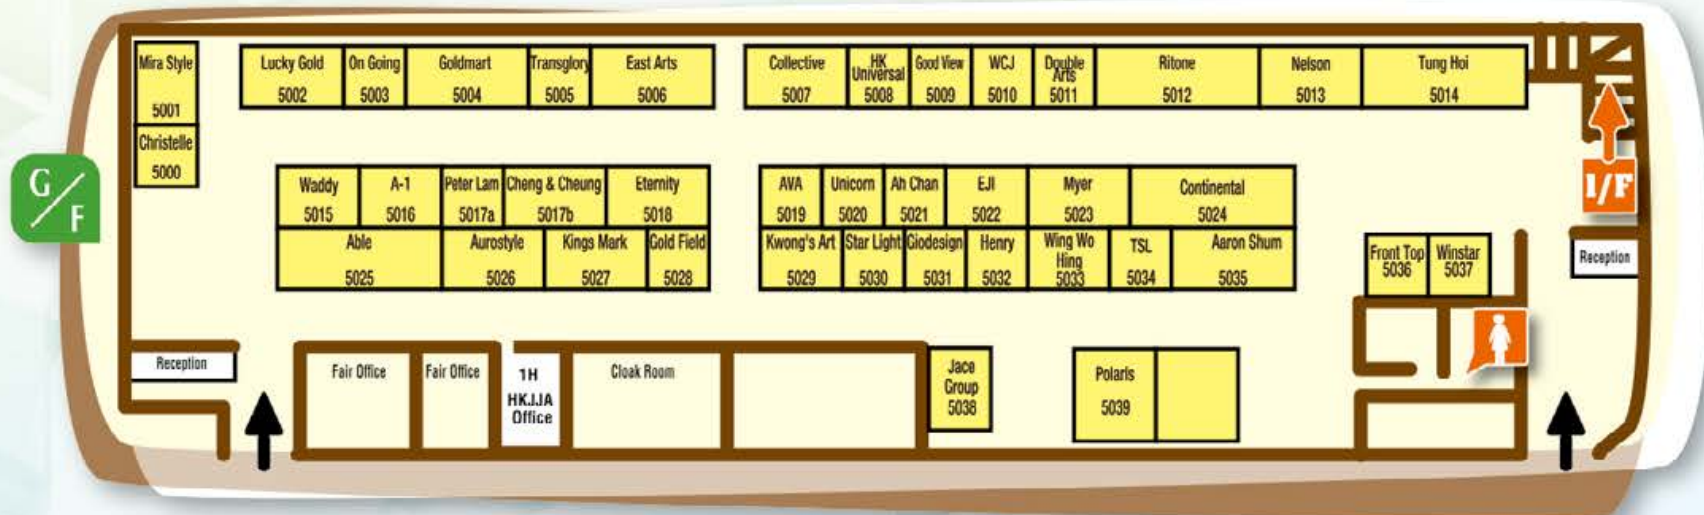

Capture and preserve your precious moments at the photo booth, a time machine bringing you to the top attractions of Hong Kong in a second. Hilarious backdrops or props such as the lion for traditional lion dance are at your disposal to make your snapshot experience unforgettable.

Get yourself a welcome gift at the Jade Club Lounge on the first floor as a new registered member. On the same level the ‘Hong Kong Design Zone’ is another must-visit setting where houses internationally-acclaimed jewellery design brands from Hong Kong. Don't forget to obtain the business cards available for easy contact in the future.

Welcome to the Hong Kong Pavilion, Pavilion 9, Vicenzaoro Fall 2014.
