Languages : Cantonese, English and Putonghua
Religions : Buddhism, Taoism, Confucianism, Christianity, Islam, Hinduism, Sikhism and Judaism (2015)

Hong Kong Geography and Climate

- Location : Southeast of the mainland of China, adjoining the province of Guangdong
Land Area : 1,104 square kilometers
Climate : Humid Subtropical 10.3°C – 36.3°C (2016)

Hong Kong Economy

- GDP : US\$3.191 billion (2016)
GDP growth : 1.9% (2016)
Exports : US\$460.0 billion (2016)
Imports : US\$513.9 billion (2016)

Hong Kong Demographics

- Population : 7.34 million (2016)
Population Growth Rate : 0.6% (2016)

HONG KONG METAL STAMPING AND MACHINING COMPONENTS INDUSTRIES

Industry Features

The majority of metal stamping and machined components manufacturers in Hong Kong are undertaking OEM and ODM. The business mainly includes precision metal stamping, CNC production, design engineering, one stop product assembly, product surface finishing, and also advanced management & equipment. Various products of superb quality, such as aviation parts, parts of medical and healthcare devices, parts of high-end electronic and electrical appliances, and machinery parts are exported continuously.

The practitioners are committed to maintaining tight business partnerships with industrialists all over the world. In order to promote competitiveness, the R&D activities of metal stamping and machined components industry are primarily based in Hong Kong, while the manufacturing plants are substantially located in the mainland China, so that the advantages of both sides can be combined.

THE HONG KONG METALS MANUFACTURERS ASSOCIATION

The Hong Kong Metals Manufacturers Association (HKMMA) is a non-profit-making trade association which currently has more than 600 member companies. HKMMA aims to enhance the association among members of metal manufacturing industry, upgrade the production techniques and management capability, and also strengthen the market competitiveness of the industry as a whole.

THE HONG KONG METALS MANUFACTURERS ASSOCIATION

In order to facilitate communications and technological interchange among member companies, HKMMA regularly organizes study missions, factory visits, seminars and members' participation in related exhibitions. Besides, HKMMA also publishes periodical publications and operates the association website. Moreover, HKMMA has been keeping in close contacts and maintaining good co-operation relationships with other trade and industrial organizations, professional bodies and related government departments in Hong Kong, the mainland and overseas, so as to voice out industry's concerns and opinions, and seek any necessary support for the development of metals manufacturing industry.

TECHNOLOGIES

Hong Kong Metal Stamping and Machining Component Industries own powerful manufacturing competency and cutting-edge manufacturing technology under the following areas:

- Progress, Transfer and High Speed Stamping/ CNC Turrent Punching and Laser Cutting
- High Speed and Ultra-Precision CNC Cutting and Turning Technologies
- Advanced Materials and Surface Finishing Treatment
- Powerful Manufacturing Capacity and Automation with Multi-Axis Robot and Advanced Production Planning System

QUALITY SYSTEMS

In order to enhance product credibility, many members of the Hong Kong Metals Manufacturers Association are proactively implementing quality systems and complying with international standards, European Union's standards and other regional regulations. Those implementations and compliances are certified by certification bodies and accreditation bodies. The recognized certifications include ISO 9001, ISO/TS 16949, ISO13485, ISO/IEC 17025:2005, QS9000, AS9100, ISO 14001, RoHS compliance, REACH regulation, Consumer Product Safety Improvement Act (CPSIA) Compliance and etc.

AWARDS

Manufacturers engaged in Hong Kong Metal Stamping and Machining Components Industries are well equipped with both business and manufacturing technology competencies. With the effective operational management, advanced technological development and comprehensive quality system, local manufacturers are awarded with various international recognitions, which includes:

- Hong Kong Awards for Industry
- Hong Kong Mould & Die Council Awards: Operation Excellence Award - Design and Manufacturing Technology
- Hong Kong Awards for Industry: Technological Achievement Award
- Hong Kong Awards for Industries Productivity and Quality Award
- Hong Kong Outstanding Enterprises - Economic Digest
- Hong Kong-GuangDong Cleaner Production Partner (Manufacturing) Award
- Hang Seng Pearl River Delta Environmental Award

- 模具設計及制造
Molding Design and Manufacture
- 鋅鋁合金壓鑄
Aluminium & Zinc Alloy Die Casting
- 鋁型材五金產品
Extrusion Aluminium and Stamping Workshop
- 附設加工部為客戶提供各項加工
In-House Workshop Facilities
- 三價鉻無毒表面處理
Hexavalent Chromium Free
Passivation For Aluminium
- 鋅、鋁合金及三價鉻符合歐盟RoHS要求
RoHs Compliance
- 香港鑄造及鑄造業總會永久會員
Hong Kong Diecasting And Foundry Association

APEXRANK INDUSTRIES LTD.

公司簡介 / 產品

COMPANY PROFILES / PRODUCTS

本公司於一九八七年成立，本公司致力發展，已持ISO/TS16949，採用名廠鋅、鋁合金壓鑄機，代客壓鑄及加工鋅鋁合金配件，汽車零部件，各式機殼，家電配件、玩具、燈具，鎖類，拉鋁散熱件及裝飾件等。

Apexrank Industries Ltd. was established in 1987 in Hong Kong. Started as small manufacturing shop in for simple metal parts, we devote ourselves to the development of die-casting and extrusion technology to provide one stop solution for our clients.

我們的生產隊伍，給予客戶的訂單達到準確，準時的承諾，我廠在2002年成功考取ISO9001:2000及于2005年考取ISO/TS16949:2002的汽車行業認證。

為客戶設計一站式生產，廠內設有工程部及工模部，作開發設計和模具生產，備有130噸至800噸鋁合金壓鑄機共十多臺，亦設有各式加工部門，置有多臺CNC機，攻牙中心，車床，銑床，鑽床，噴沙及拋光等設備，為客戶產品作一站式生產。

我廠設有噴油及噴粉生產線，移印及絲印作產品表面處理，我們亦代客加工五金及拉鋁產品，我司生產的產品主要為出口，所有原材料備有爐紙及原料成份單提供，所有產品符合歐盟RoHS的要求。

We have advanced cold chamber and hot chamber are used for producing aluminums and zinc alloy parts. Our processes include tooling, die-casting, precision machining, pre-treatment and various coatings.

We are ISO/TS16949:2002 certified for Aluminums alloy. We serve a wide range of industries such as Automobile, home appliances, decorative accessories, communication, computer, locks, lightings, machinery components, power tools and special construction projects.

BOLY METAL MANUFACTORY LTD

Address	: Block D, 4/F, Yip Fat Factory Building, 77 Hoi Yuen Road, Kwun Tong, Kowloon, Hong Kong
Phone	: (852) 2915 7777
E-mail	: sales@boly.com.hk
Website	: http://www.boly.com.hk
Products	: Precision turned parts for automotive, aviation, hydraulic, industrial, electronic, medical, oil & gas and green energy market
Quality system	: ISO 9001, 14001
Awards	: Global Manufacturer Certificate
Internationality	: Boly is a certified comprehensive precision machined components manufacturer. With great efforts of our experience engineers & advance equipment, we provide integrated solution of metal parts to automotive, aviation, hydraulic, industrial, electronic, medical, oil & gas and green energy market. We established in 1973 with headquarters in Hong Kong and production facilities in Southern Mainland China. We provide superior manufacturing, quality, business systems, logistics, supply chain management and on-time delivery for all customers' outsourced machining needs.
Corporate Philosophy	: To be the industry leader in manufacturing of components and assemblies that meets or exceeds customer requirements. Dedicated to customer satisfaction and prompt reliable service by continuous improvement and growth.

Hip Yick Industrial Co. Ltd

- ◆ Management (CEO): Mr. Alex Leung
- ◆ Product: Steel, stainless steel and aluminum stamping and tubular products (Handles, tubes, mobile accessories and other metal parts)
- ◆ Quality system: ISO9001, ISO14000, QC08000
- ◆ About us: Founded in 1972, we specialize in the manufacturing of top quality steel, stainless steel and aluminum handles suitable for doors, household appliances and industrial applications. We have decades of experience in supplying direct to major multinational brands of household appliances and bathroom accessories across the world.

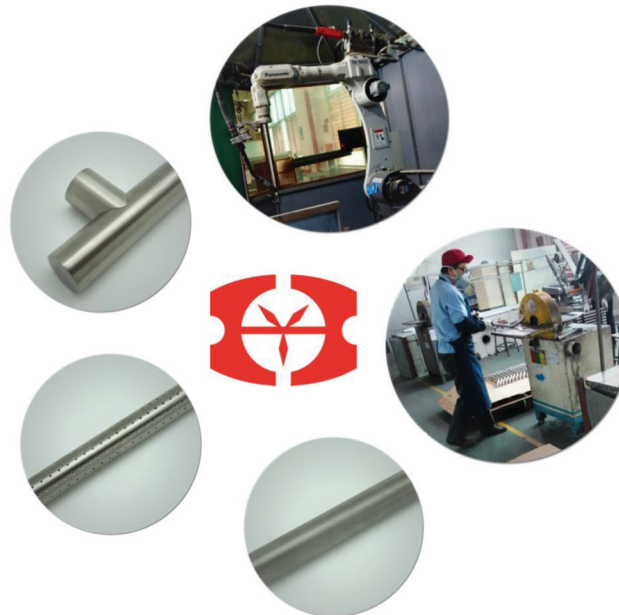

40+ Years of Metal Manufacturing Experience!!

Hip Yick Industrial Co. Ltd

Strong in quality system, service, response time, delivery and business ethics

- ◆ Cutting
- ◆ Drilling
- ◆ Welding
- ◆ Brushing
- ◆ Polishing
- ◆ Milling
- ◆ Knurling
- ◆ Bending

"We provide comprehensive one-stop industrial design and manufacturing services."

We are an advanced solution provider in precision metal engineering in Hong Kong and the PRC in the 6 specialized industry sectors:

- Medical and test equipment
- Automotive tooling
- Network/data storage
- Finance equipment
- Consumer electronics
- Office automation

(CEO): Mr Steven Sin

Products: CNC Metal components (Springs/Stamping/Shafts/Wire Forming) for:

√ Automotive:

√ Medical and healthcare devices:

√ High end electronics and electrical appliances

Quality System: ISO 9001/ ISO14001/ TS16849 /ISO13485

Internationality:

Kowloon is one of the recognized leaders of precision springs, progressive stampings, machined components and assemblies for nearly 45 years. We have a 25,000 square meter factory with approximately 300 employees based in Dongguan, China; with an international customer base, exporting products to over 20 countries.

Corporate Presentation:

We strive to be not only a supplier, but also a trusted partner. Customer satisfaction is what we measures our success against, through which we have established a stronger and enduring relationship with our customers. We are committed to provide our customers with high quality product, on-time delivery and efficient response to all enquires.

**Corporate:
Philosophy/
Presentation**

Precise Metal Parts Company is one of a CNC machining manufacturer in the world engaged in the OEM manufacture and sale of CNC machining components. We have accumulated 30 years of experience in OEM production of high precision machining metal components which are widely used in automotive, audio/video modules, medical equipment, home appliances, professional stage lighting equipment, as well as foodstuff equipment. Given the critical roles assumed by its component products, the company practices strict quality control which is well reflected by its ISO 9001, ISO 14001, ISO/TS 16949 awards.

深圳市诚发弹簧有限公司位于深圳市宝安区福永凤凰工业园区，是一家集研发、生产和销售于一体的专业制造各类精密五金弹簧，五金弹片，线成型产品的厂家。产品服务涉及汽车行业，医疗行业，电子电器，新能源，轴承连接器等智能制造领域。

诚发公司自2002年成立以来，凭借优秀的品质，先进的技术和优质服务，赢得众多客户朋友的认可。现公司拥有性能优良的日本进口ITAYA智能弹簧机，台湾进口502S/504，505电脑机，电脑压簧机，拉簧机和平面机，拥有完整的测量系统。检测仪器有：日本进口的全自动拉压力测试仪，扭力测试仪，投影仪，寿命仪，盐雾测试仪，硬度测试仪等80余台，并从英国引进专业弹簧设计软件和通过了ISO 9001:2008, TS 16949:2009质量体系。

公司成功收购了一家香港老牌弹簧厂家，并在上海设立分厂，从02年厂房面积三百平米发展到建立自己厂房面积达二万余平的工业园区，至此诚发弹簧有限公司在制造设备，品质管控，先进技术，厂区规模等方面得以较大的发展，全体同仁共同创造出更大的专业弹簧制造平台。一代“诚发人”以“工匠精神”精雕细琢，以追求“客户第一”的服务精神，忠实地为新老顾客服务！

Chengfa metal Spring limited(Mainland factory name Shenzhen ChengFa Spring co., LTD) is located in phoenix industrial park,Fuyong,Bao' an ShenZhen,is a collection of R&D, production and sales in one of professional manufacture of various types of precision metal spring, metal shrapnel, wire forming products manufacturers.Products and services involved in the auto industry, medical industry, electrical and electronic, new energy, bearing connectors such as intelligent manufacturing industry.

Since founded in 2002,excellent quality, advanced technology and high quality quick service, win the numerous customers' approval.Introducing Japan ITAYA smart spring machine,Taiwan 502 s / 504 505 computer machine, computer spring machine, tension spring machine and a complete measurement system.Testing instruments including: Japan automatic pressure tester, torsion tester, projector, life tester, salt spray tester, hardness tester, etc. More than 80 sets, and imported from the British spring design software and passed the ISO 9001:2008, TS 16949:2009 quality system.

Acquiring a famous Hong Kong spring company,and setting up branch in Shanghai, from 2002 a workshop area of 300 m² to building our own industry building 2000 m², now ChengFa with huge develop in manufacturing equipment, quality control, advanced technology,plant size, etc, all colleagues create a bigger and more professional spring manufacturing platform.ChengFa Staffs hard working with spirit of the craftsman,in pursuit of "customer first" spirit of service, faithfully serving our new and old customers!

Since its establishment in 1969, Standard Metal Spring Mfy. Ltd. has been doing its best to meet various buyers' demands on designs, quality, and materials, offering a variety of products which include metal springs, precision shafts, wire forms, kitchen tools, CNC lathe and metal stamping. We are equipped with various types of advance machines and facilities to satisfy the customers' specifications. In order to well serve our customers, Standard has its own manufacturing plants in Shenzhen and Dongguan in China to provide full-service to our customers. Moreover, our award of ISO 9001 certification should assure our clients of our quality and our ability to satisfy them. In order to fulfill our customer's particular needs, most of our products are custom-made. We welcome you to send your own designs with drawings or samples to us for the best quote.

Website	: http://www.ultraformgroup.com.hk
Management (CEO)	: Mr Jeff Tse
Products	: <ul style="list-style-type: none">■ Auto parts: Precision automotive die casting Parts■ High-end consumer products parts: Precision luxury die casting parts■ Machinery parts and components: Precision industrial die casting parts■ Medical and healthcare devices parts: Precision medical die casting Parts■ Other precision and high quality parts: Robot, communication, dental, computer, sensor
Quality system	: ISO9001, ISO13485, ISO14001, TS16949
Internationality	: Asia, United State, East/Middle/West/North Europe, Australia Clients
Corporate Philosophy/ Presentation	: Ultraform Industries (Group) Company Limited is a professional Aluminum, Zinc and Magnesium alloy die-casting manufacturer with factories in Shenzhen, Wuxi and Huizhou covering a total area of 80,000m ² . It was established in 1986. Having the honor of support from many clients, our business is expanding and has become a high-precision manufacturer specialized in mold fabricating, die-casting, CNC machining, surface finishing and assembling. <p>With over 30 years of experience, Ultraform is always one step ahead of competition by providing an one stop service with advanced technology equipment. Furthermore, the certifications in ISO 9001, TS 16949, ISO14001 and ISO 13485 are making assurance to our worldwide customers. Our products are covering in automotive, motion control, computer components, lab apparatus, medical instrument, electrical communication and robotic components. They are all sold to America, Europe and Asia. We are always seeking improvement in new technology. Besides, we will achieve more in environmental protection, pollution reduction, energy and resources saving in production.</p>

YUK KEE METAL & PLASTIC FACTORY LIMITED

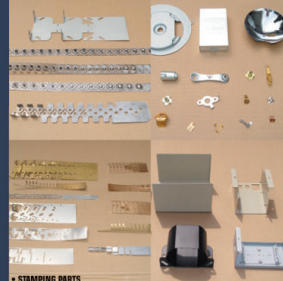

Yuk Kee Metal & Plastic Factory Limited is a Hong Kong based company which has been in operation since 1962. Our years of experience and expertise have made us one of the leading suppliers of quality sheet metal tooling, injection moulding tooling, precision metal components and custom injection moulded components to companies throughout the world.

We provide one stop service from R & D, prototyping, tooling fabrication, production and final assembly (turnkey assembly). Our expertise lies in tool making (metal die and plastic injection mould), sheet metal stamping, plastic injection moulding, 2-colour over-moulding, Insert-moulding and PCB assembly (SMT). Our in house facility provides service of powder coating, spray painting, pad printing and silk screen printing. Above production activities are supported by our two fully integrated production facilities that situated in Guangdong Province (Dongguan and Taishan), China.

We are at the forefront of the tooling and moulding industry in Hong Kong. By continuously providing the highest quality service to our clients, we have maintained steady growth, reinvestment and modernization. We are equipped with the latest state of the art equipment and CAD systems facilitating our manufacturing capabilities. With our CMM (Impact II CNC Coordinate Measuring Machine), Mitutoyo Profile Projector, Hardness Tester and Salt Spray Tester that installed in our Quality Inspection Department, we are therefore capable to maintain throughout and high quality standard that customers constantly demand. With our experienced toolmakers, we guarantee moulds built to your specifications. Besides, our in-house engineers work in partnership with our customers to best understand their needs and products.

We have demonstrated our dedication to quality, customers and a willingness to work towards improving efficiency by achieving ISO 9001 certification. We have been accredited to the ISO9001:2000 standard. We focus on the customer, understanding their needs and anticipating problems. At Yuk Kee, we offer solutions. We are committed to manufacturing and delivering quality products to our customers on time and at a competitive price so as to maintain total customer satisfaction.

Our mission is simple, not only become our customer's preferred supplier but their single source for manufactured products by providing world class quality, service and delivery at the lowest possible cost.

- China Production License
- ISO 9001: 2008
- CE Safety Standard Approval (European Standard)
- ETL Safety / Sanitation Standard Approval (North American Standard)
- KC Safety Standard Approval (Korean Standard)

Corporate philosophy:

Pro-Fit Industrial Co., Ltd has gradually and constantly developed with the goal of constantly getting better, establishing mutual, long-term beneficial relationships with our customers and collaborators. We aim to satisfy and exceed the toughest requirements of professional catering.

“Power Flame” is our company-owned brand offering the top quality standards of professional Chinese gas cooking equipment include unique design, safety and environmental features for professional and commercial kitchens.

Our major customers include, but not limit to star-rated hotels (Hyatt Group, Starwood Group, Marriott Group, Inter-Continental Group etc.), restaurants (Hakkasan Group etc.), catering facilities which makes our quality guaranteed.

Internationality:

POWER FLAME

Our “Power Flame” gas cooking range has CE, ETL, KC certification followed by ISO 9001-2008 Standard.

We have developed various product series with different international certification to accommodate each region & country:

“Power Flame” CE Series

Exporting to: UK, Turkey, Germany, Italy, Switzerland, European countries

“Power Flame” ETL Series

Exporting to: USA, Canada, Macau (ETL certification required by the U.S. casino hotel / compliance with the International Building Code)

“Power Flame” KC Series

Exporting to: South Korea

“Power Flame” Standard Series

Exporting to: Singapore, Malaysia, Indonesia, Philippines, Thailand, Vietnam, Myanmar, Cambodia, Australia, India, Papua New Guinea, Maldives, Sri Lanka, Taiwan, United Arab Emirates
