Introduction of Hong Kong Children Babies and Maternity Industries

To gather partners in the industry and carry forward this industry, under the One-Belt-One-Road Initiative, HKCBMIA is now implementing a project with the support from SME Development Fund, Trade and Industries Department of Hong Kong SAR Government. The project aimed to support the SMEs in Hong Kong to explore the business opportunities in One-Belt-One-Road countries.

With the experience gained in the past, the quality of Hong Kong Manufacturing side is world-renowned. Most of the SMEs are equipped with top-tier skills and manufacturing capability.

Moreover, many of the Hong Kong SMEs received accreditation from international regulatory bodies on their quality management system and production environment, which proves the safety and quality of the products from Hong Kong.

There is a wide range of products produced in Hong Kong, including diapers, wet wipes, daily supplies, food and tableware, toy, bags, clothes and accessories, furniture and educational supplies.

The entrepreneurs in Hong Kong is now taking a step forward to the emerging markets, and look forward to cooperate with enterprises all over the world.

If you are seeking for cooperation with Hong Kong enterprises, welcome to contact us.
