

theAnswer

Use data to get you closer to the answer

Official Platform <https://get.theAnswer.com>

Most of business users want to use Analytics

82%

of business state that analytics are very **important to their business strategy**

Enterprise Management Associates (EMA),
Informatica and Deloitte

57%

are experiencing **faster, more effective decision making** through their data and analytics use

MicroStrategy

The Challenge

“Data Analytics is not user friendly!”

focus group findings from our Lego Serious Play workshops

Isolated

Existing data analytics tools pull from a limited set of data sources

Unadaptable

Products developed are technology-driven and difficult to apply into real-life user workflows

Complicated

Information presented is not easy to access and interpret

Costly

Fixed pricing structures, high trial and error costs for existing offerings

What we do?

Our platform is disrupting the data analytics market by connecting the world's open data and AI engines, to **accelerate businesses' decision-making process** by integrating **expert-proven analytic workflows** with ready-to-use **MicroAnalytics®** products.

A cloud based **MicroAnalytics® marketplace** providing ready-to-use data analytics tools to create insights to inform business decisions

MicroAnalytics products

- Data insights combined into a product that is presented as infographic insights that are easy-to-understand
- Constructed using the Micronisation process decomposing market available data sources and A.I engines into minimum data elements

Benefits

- Efficient to construct specific products required by the market
- MicroAnalytics can be used together to form customised insights to fit customer needs
- Ability to incorporate flexible pricing

A platform to deliver data driven insights to businesses

1.

Choose from many different data driven products called MicroAnalytics®

2.

Intuitive steps to generate customised results

3.

Automated Output

Collects various online data source.

Save your time sourcing data at theAnswer.

We connects the world's online data source to do one mission – to provide insights and information, allowing every marketers to improve their marketing campaigns.

Data are **CONNECTED** and ready-to-use.

Not just provide single analyzing source, we can cross-over different platforms to generate a better insights for your customers.

What's next? Your decisions!

theAnswr collects, connects and convert complicated data into straight-forward answers, accelerate your decision-making process.

DATA

ANALYTICS

DECISIONS

Enables everyone to become
a **Smart Decision Maker.**

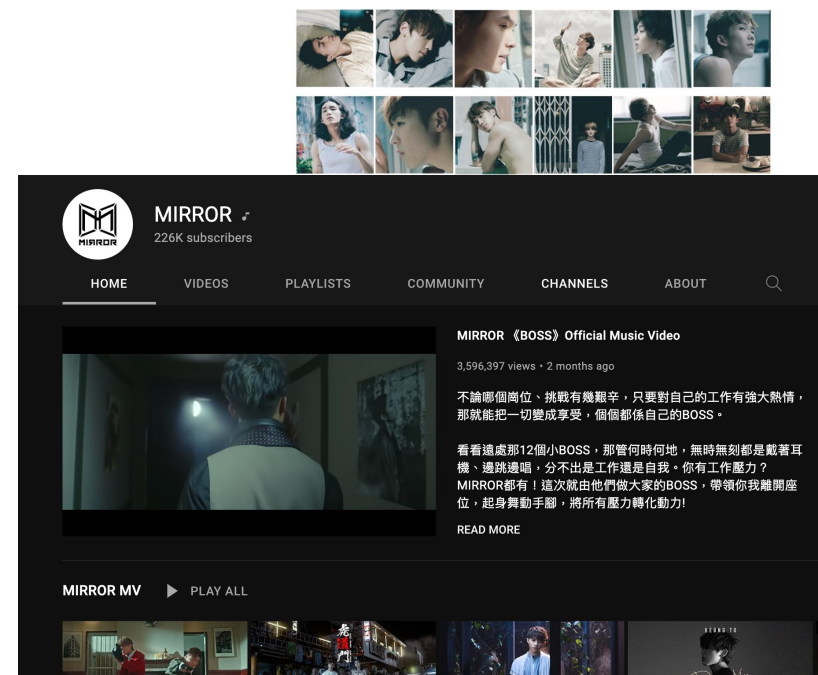

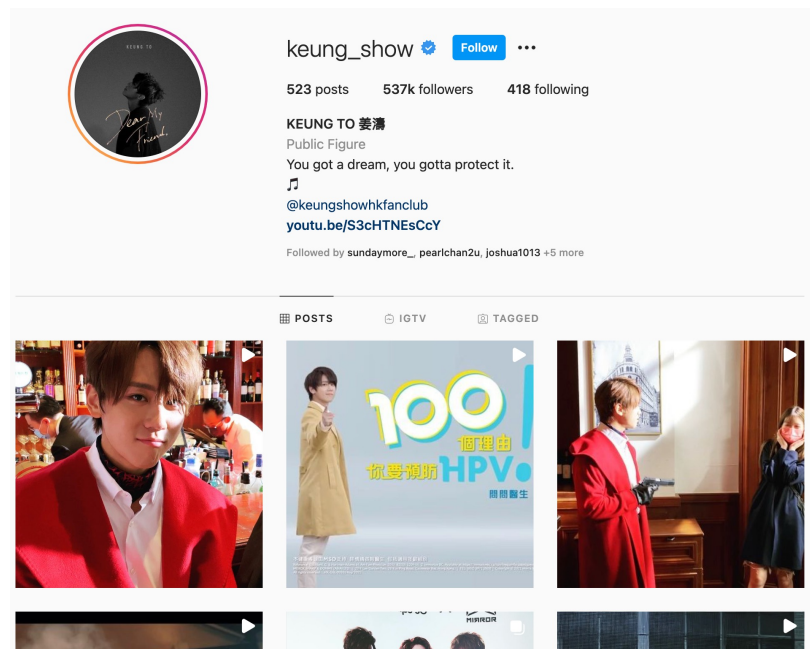

數據驅動的**KOL**行銷策略

Why do you want to use KOL in your marketing?

- Increase the Brand Awareness
- Boost the sale of a product shortly

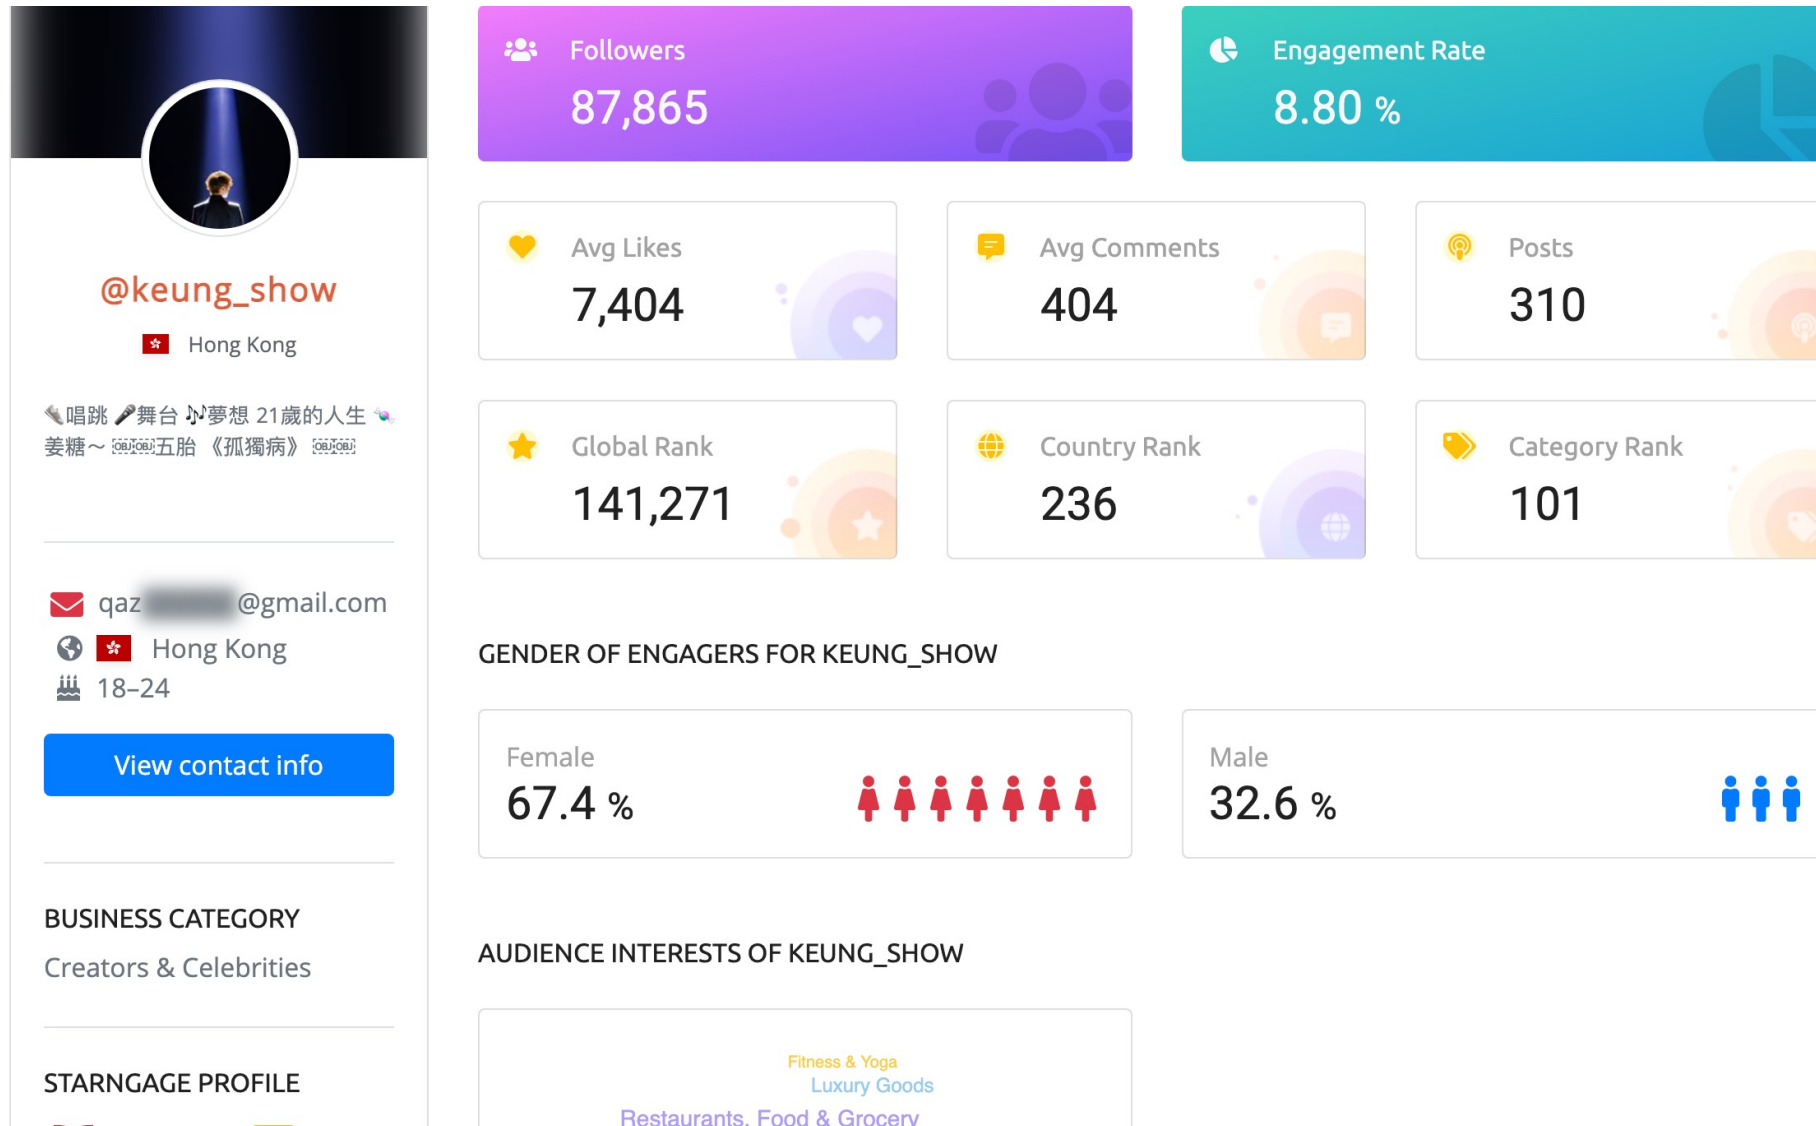

Where are the KOL?

What are the criteria to choose the best KOL for my brand?

1. Is the KOL popular now?
2. What is the public impression of the KOL?
3. How many brands cooperated with the KOL?
4. What is the advertising cost of the KOL?
5. are the KOLs matched with my Brand?

The levels of KOL

Instagram Influencer Tiers

YouTube Influencer Tiers

The levels of KOL

AVERAGE ENGAGEMENT RATE
on Instagram and Twitter in 2018

theAnswer

Why Nano Influencers

● Level of Trust

Opinions evoke high degrees of credibility and confidence from friends & followers.

● Brand Relevance

Very high connection with a brand, product and brand-relevant topics.

● Degree of Volume

Exist in greater numbers than micro, mega-or macro-influencers and are able to generate content at scale.

● Level of Loyalty

Usually have the strongest relationship with a brand compared to micro, macro and mega influencers.

● Range of Followers

100 to 10000

● Level of Influence

Have a very strong influence over their small but tight-knit network of followers.
